

Happiness Now

Quieter, not quiet

Quieter, not quiet

We don't need to make this harder than it is

We don't need to make this harder

Unwinding my mind, trying to find the top

But the moment keeps slipping as time never stops

We don't need to make this harder than it is

We don't need to make this harder

It's already hard enough

"I'll be happy when" is a game that never ends

"I'll be happy now" at least points us to how

How is a hand that can be played,

Wu Wei

Fill in the blank, fill in the blank

You will be wrong

There's only happiness now.
